REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art, either alone or in combination, does not disclose or render obvious a set of said first and second optical fiber networks has normal or anomalous dispersion, a zero dispersion point of one of said first and second optical fiber networks is near a wavelength of said pumping light, a zero dispersion point of the other of said first and second optical networks is farther from the wavelength of said pumping light than the zero dispersion point of the one of said first and second optical networks, and influences of dispersion are substantially equal between near center channels of said first and second optical fiber networks in combination with the rest of claim 35 for the reasons stated by Applicant in the Remarks section filed 5/11/05.

It is noted that the claim 35 is allowable because the unique combination of each and every specific element stated in the claim.

The reasons for allowability for each of claims 1, 11-14, 34, and 36-41 were stated in the 2/11/05 Office action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
